

PAVER DISPLAY

PD3006 & PD3050

We're paving the way for increased sales with our attractive landscape paver display unit. Provide your customers with a convenient shopping experience when you purchase this easy-to-browse display. Welded supports and 2" galvanized steel construction ensure this unit can hold a heavy load. Choose our optional sign holder to provide ideas and inspiration to your clients as well as to create timely messaging, adding even more value to your display.

PALLET BRIDGE

PB3000

Our new pallet bridge display provides an elegant solution to cross-merchandise products that are complementary to your palletized goods. Graphic panels (not included) simply slide into the side supports while mounting holes on the tray face easily accept most types of rigid signage panels. The galvanized steel frame fits over most standard pallets and the upper tray features flattened expanded metal to hold large and small products.
