PX7020

A little variety can make a big difference. That's why we offer our PX7020 display. Shelf depth reduces gradually from 36 to 24 to 18 inches for improved product placement and visual appeal. Options like hanging basket purlins, casters, sign holder and powder coating allow for even greater visual range.

MODULAR DISPLAY SYSTEM

Double Hanging Basket Purlin

The purlin available for this display is now a double purlin—twice the baskets in the same footprint!
